Applause

A standing ovation for Janet Walmsley, Janet's daughter, Jenny Story, Marnie Cullum and Carol Marks for attacking the Props Room. They have revamped the storage and posted a locator list on the wall inside the door so there will be no excuse for not putting things back after use. If you have something that you think could be used as a prop or that comes from a completed production, only keep it if it is something that cannot be obtained in the community. We have very limited space and must exercise discretion when storing items for re-use.
